FEBRUARY 2021

THE RED LINE

Greetings Fellow Republicans,

*I*n light of all we have been through in 2020, we still have so very much to be grateful for – and even though goodness tends to get overshadowed by incessant negative news, I can say that 2020 has made me more appreciative on so many levels; yes, even though I too have had great loss last year. One of those blessings is the honor to serve you as President of SBFRW. I am deeply humbled, and I will do my best to keep the club forward-focused, informed and optimistic about future gatherings, events and elections. I have a great team in the newly elected Board of Directors (featured on page 2), whom are loaded with expertise, great ideas, positivity, and infectious enthusiasm!

We are thankful for the service of the former officers for their hard work, passion and perseverance. Our beloved Julie Wright, will continue to be a member of San-Bern and as an Advisor on the BOD. We would love for more of our wonderful members to get involved to reach our full potential as a club as we further grow our grassroots organization and support our Republican candidates.

Remember to stay in the loop with what is happening in the Legislature 2021 as much as possible nmlegis.gov/. In lieu of our February program/meeting, due to COVID-19 restrictions, we have creatively changed the program to a "Hopeful Hearts" Greeting delivered to your home on February 13th! (See page 3 for details).

In closing, I have always been enamored by elephants – not just their size and acute sensory aptitudes, but their innate ability to gather and encircle back-to-back around a mother elephant while she gives birth; so as to protect her when she is weakened by labor, and to shield the newborn calf. We are Republicans...we should be uniting to protect our species of party no matter what comes against us. Our forefathers would agree. We know what defines genuine unity, and therefore I implore that we do our best to surround each other with protection, kindness, love and grace – then we too will save our fellow elephants from harm, and demonstrate for the world what sincere unity looks like.

In strength and unity,

Jeanette Clark, President, SBFRW

Welcome Your New Board of Directors San-Bern FRW!

Congratulations to our new Executive Officers! Due to the Covid-19 Pandemic, we were unable to meet to do our 'pinning' ceremony, celebrating the new team elected to do what FRW's across the nation do - to educate and inform our members and friends on behalf of our conservative values. Although we couldn't have our ceremony as we had hoped, we may be able to incorporate that into one of our future meetings!

COUNTY OFFICERS HAVE BEEN ELECTED FOR TWO-YEAR TERMS

BCGOP's leadership was elected today to guide our County Party through the next two years.

Chairwoman Julie Wright was re-elected to a second two-year term. Her successful efforts at rebuilding and revamping Party operations have been unparalleled in the history of Bernalillo County.

Anthony 'Ant' Thornton was elected to be our new First Vice Chair. Ant was a walk-away and Tea Party activist before his run for State Senate in 2016.

Our new Second Vice Chair is Dauneen Dolce - a prolific campaigner and former Executive Director of National Right to Life Committee's New Mexico chapter.

Denise Foor was elected as our Secretary, having held the position de-facto for the past year. She and her husband, Joe (our Office Manager), are our most committed volunteers, having coordinated our 2020 cycle office operations throughout the County.

John Kubiak was re-elected as our Treasurer. John has held the position for at least four cycles and has become our financial rock. He owns and operates a local small business as a CPA and his services are invaluable.
